SUMMARY

Information Systems student with unique leadership experience as a Google Student Ambassador and an Officer in the HMJ TI Undiksha Student Association. Skilled in community building, project management, and technical communication. Passionate about empowering others through technology and seeking a challenging role where I can analyze systems while leading community initiatives.

EXPERIENCE

Student Ambassador

09/2025 - Present

Google

Thrilled to be selected as a Google Student Ambassador, a role dedicated to empowering the student developer community at my university. My mission is to cultivate a space for innovation and learning by connecting students with the transformative power of Google's technologies.

Functionary - Programming Sub-Division Member

04/2025 - Present

Himpunan Mahasiswa Jurusan Teknik Informatika Undiksha

Managed the end-to-end project lifecycle for the HMJ TI IT Bootcamp. Developed the event strategy, coordinated with 3 key speakers from the tech industry, and oversaw the budget and timeline, resulting in a successful and highly-rated departmental event.
